

# School Children's Trust Responsibility to Provide Training

# School Children's Trust Training Responsibility

## Utah Code Section 53G-7-12

The School LAND Trust Program is established under USBE

- **Provide training about the Program and other council responsibilities to:**

local school boards and charter school governing boards  
school districts and charter schools  
school community councils

## Utah Code 53G-7-1202

A district school ... shall establish a school community council at the school building level for the purpose of:

- Involving parents/guardians in decision making at the school level
- Improving the education of students
- Prudently expending School LAND Trust Program money
- Increasing public awareness of:
  - School trust lands and related land policies
  - Management of the State School Fund
  - Educational excellence
